

Mission: Sharing Christ's love and equipping communities to grow in faith.
Vision: A thriving body of Christ within remote BC coastal First Nations communities.

This list is just a suggestion for how to pack for your mission trip. Keep in mind the climate of the rain coast as this may affect how you pack, etc.... a bathing suit or sunscreen may not be necessary in March.

You will also need to modify the list depending on how many days you will be away. Some teams will be away from home for close to two weeks as it could take 4 full days of travel to get in and out of the community. This is a guideline only.
